PUBLISHING HOUSE

One big picture. Every hand helps.

A 3-hour colouring event for children, adults and teams. We draw a picture just for your group and divide it into pieces. Small groups of 2 to 4 people colour one piece each, and at the end all the pieces join into one big picture.

Put the laptops away for three hours.

- ✓ **A design made for your event**
- ✓ **3 hours, we bring everything**
- ✓ **Groups of 2 to 4 people**
- ✓ **Anyone can join: no skills, no sport, no competition**

From €500 for up to 10 people, plus travel, without VAT.

How it works

1 Tell us about your group
How many people, where, which technique, and what the day is about. The form takes about two minutes.

2 Your offer in 1 working day
We work out the price for your group and send you a clear offer by email.

3 Your own design in 5 working days
When you say yes, we draw the picture for your event and print one piece for every group.

4 The event: 3 hours
We come with all the materials. Each group colours its piece, then all the pieces join into one big picture.

A picture made only for your event

An example: one picture in 6 pieces, one for each group. Your picture is drawn for your event.

It can be about:

- Your team and the work you do together
- A company anniversary or a new office
- Christmas, midsummer or another holiday
- A birthday, a school's last day or a celebration
- Your city, your story, your people

What it costs
